## How do I download audiobooks and eBooks?

You can either click on the MyMediaMall button on the Deerfield Public Library's home page OR you can go directly to the site at [www.mymediamall.net](http://www.mymediamall.net).

### What is MyMediaMall?

**A:** MyMediaMall is a service that allows patrons to download audiobooks and eBooks to their computers and digital devices from home.

### Who can use the MyMediaMall service?

**A:** Only Deerfield Public Library patrons (or patrons of one of the other libraries in the consortium) can use this service. A valid Deerfield Public Library card number is required in order to check out materials.

### What software do I need to use this service?

**A:** All required software is free to download and can be accessed at the [www.mymediamall.net](http://www.mymediamall.net) website.

### Can I download audio books to my iPod?

**A:** There is a collection of MP3 audiobooks that are compatible with iPod devices.

### How many titles can I have checked out at the same time?

**A:** You can have up to 5 titles of any combination of eBook formats and/or audiobooks checked out at any given time.

### Why can't the digital books be downloaded in the Library?

**A:** In an effort to protect patron privacy, the Library's computers and software have been modified to restrict or delete personalization done to any installed programs. Regretfully, these changes prohibit the customization necessary to use MyMediaMall.

NOTE: Patrons can download digital books to their laptops inside the Library using the Library's wireless connection.

### If I'm having a problem with MyMediaMall who can I contact?

**A:** Send an email describing your problem to MyMediaMall Support at [stdlaudiohelp@stdl.org](mailto:stdlaudiohelp@stdl.org), and they will do their best to assist you.
