

Tax Time

The government isn't sending forms in the mail this year. Instead, forms are available at libraries, post offices, and on the internet. Come into the library to pick up, print out, or fill out your forms online!

The library has:

- Individual copies of federal and Illinois state tax forms
- Forms and guides available for photocopying
- Reference books: filed under R 336.2
- Access to the internet

To do your taxes online:

- You may reserve a computer up to 24 hours in advance
- Login for 90 minutes at a time, with an option to extend for another 60 minutes (if no one is waiting for a computer, we're happy to further extend your time)
- Printing costs 10 cents per side
- If you don't see the form you're looking for, we can help you search for it online

While we aren't able to offer tax preparation assistance or suggest which forms you may need, the Patty Turner Center is hosting the AARP TaxAide Programs this year:

AARP Tax-Aide Program @ Patty Turner Center

Tuesday and Fridays, starting February 3 – April 13
1:00 – 4:00 p.m.

The free tax help service provided by the Library will relocate to the Patty Turner Center as the Library begins its own relocation to an interim site. IRS certified volunteers for the AARP will be on hand. You don't need to be a member of AARP or the Patty Turner Center to receive assistance. Please bring copies of last year's returns and all tax forms your receive (W-2s, 1099s, etc.).

Please call Patty Turner Center at 847-940-4010 starting Monday, January 30, to make an appointment.

The Illinois Circuit Breaker program provides grants to senior citizens and persons with disabilities to help with the cost of taxes and prescription medicine. It's administered by the Illinois Department of Aging.
