

Accessing VUDU Movies & TV

- ◆ Select the **VUDU** app from the Roku Home Screen
- ◆ Use remote and click on **My VUDU** tab
- ◆ Use remote to select **Movies** or **TV Shows**
- ◆ You can also search films by **GENRE**. For instance, click on **GENRE** and choose **Family** to see only the children's films available
- ◆ Click on any **Movie** or **TV Show** and then click on **Watch**
- ◆ **Options** such as Closed Captioning, Chapters, Rewind and Fast Forward will appear at the bottom of the film when it first starts. Access this menu at any time by clicking on the **OK** button on the Roku remote
- ◆ Enjoy your Movie or TV show!

****Please do not attempt to purchase new or additional titles. You will be blocked****

ROKU Quick Start Guide

- ◆ Connect Roku to TV with HDMI or A/V cables
- ◆ Plug Roku device into electrical outlet
- ◆ Connect to your Wireless Network. Go to Settings > Networks > Add New Networks. Find your network and connect.
- ◆ Left click to return to Home screen. Choose a Channel. Enjoy!
