

How to Download Library eBooks To Your Kindle App or Kindle Paperwhite

Step 1: Getting Started

- ◆ On any computer go to **Amazon.com** and login with the account that is connected to your Kindle.
- ◆ In a separate tab go to the Deerfield Public Library website at <http://www.deerfieldlibrary.org>
- ◆ Click on the **Read** tab and then click on the **eBooks** link. Then click on the **My Media Mall** link.
- ◆ Click on the **Sign In** link on the upper right side of the page
- ◆ Select **Deerfield Public Library** and then enter your Deerfield Public Library **card number**.

Step 2: Selecting a Title

- ◆ Scroll down the main page to view various collections or click on the **Subjects** or **Collections** tabs on the top left.
- ◆ Books that are **currently available** to be checked out will say **Available** in a dark box above the book. If the book is checked out there will be a white box that says **Wait List** and you can place a hold.
- ◆ You can also click on the **“Available Now”** link on the left side of the page to see books that are currently available to check out.
- ◆ To borrow a book simply click on the **BORROW** link. You will be prompted to go to your **Loans** page.
- ◆ Or click on the book cover, then click on the **BORROW** box, and then go to your **Loans** page.

Step 3: Downloading a Title

- ◆ Go to the Loans page.
- ◆ Click on the white **Download** box and choose the **Kindle book** format.
- ◆ This should open up a new browser page from **Amazon.com**.
- ◆ Choose what device you want to deliver your book to and then click on the green **Get Library Book** box in the upper right hand corner of the page.

Step 4: Transferring a Book to your Kindle App or Kindle Paperwhite

- ◆ Your book should have **transferred** automatically after the last step.
- ◆ On a Kindle click on the **Home** button and your book should appear in your **library**.
- ◆ If you're using the **Kindle App** the book should appear the next time you sync your device.
- ◆ You can also click on the **Manage your Kindle** link in Amazon to transfer the book to your other Kindle devices or the Kindle App.
- ◆ Your library eBook should be at the **top** of the list.
- ◆ Point your mouse arrow at the **“Actions...”** box and click on the **“Deliver to”** link to transfer the book to other Kindle devices or the Kindle App.
