Saying Farewell

Back on June 16, 2006, the Deerfield Public Library Board was pleased to announce Mary Pergander as our next Library Director. Now, with Mary retiring after nine years of exemplary service to our community, we thank her wholeheartedly. Perhaps her biggest accomplishment was her outstanding leadership in bringing us our new Library. This process alone required innumerable decisions by Mary while she continued to run the Library with virtually no service interruption. Our new Library would not be standing as it is today without Mary’s vision and leadership.

Mary also strove to make the Library patron experience as user-friendly as possible. A vibrant website, drop boxes, the hold shelves, a café area, self-checkout & return, more and more programming for all ages (including at off-site locations), an explosion of e-materials, extended loan times, outreach to our schools…Mary continually examined our processes and improved them. With these projects, we often heard the words the Board loved to hear – “On time and on (or under) budget”.

As we prepare to bid Mary a very fond farewell, we hope you’ll join us at her open house going-away celebration. On behalf of the entire DPL community, Mary, we gratefully say thank you and wish you all the best.

Answers to frequently asked questions from library users

Is there a way to freeze holds when I’m on vacation?

Relax! You can stay in the hold queue by following these simple 3 steps:

1. Log into “My Account” on the library’s website, where you will see your hold list.
2. Check the FREEZE box on the right column for each title you want to freeze.
3. Click on the “Update List” box.

Important! When you return to town, be sure to UNFREEZE your holds. Follow the steps above, but this time un-check the “Freeze” box before updating your list.

You’ll remain in the queue where you last were, or you might even have moved up the line if there are less holds.
