**READING  
TAKES YOU EVERYWHERE**

We thought it would be interesting to share some statistical highlights of 2017. Following the trend for public libraries nationwide, there is a very small decline in our total circulation. We know that our print collection remains popular, and our e-resources circulation continue to grow.

What I find to be most interesting is the number of people who still choose to come to DPL. Libraries are the one public institution that serve people of every

age. Every day, we see people who are here enjoying a magazine or using one of the study rooms as their office. There are plenty of students who come to do homework, and loads of kids enjoying the vibrant Youth Services space. We've taken notice, and continue to offer more resources and programs as our budget allows.

DPL, more than books!

Stop by the Adult Services or Media desk (or at the sign-up table in the Lobby on Kick-off Day) to pick up a registration form and a sign-up prize. *Quantities available while they last. ## Have Mobile HotSpot, will Travel!

No internet connection? No problem! Come check out one of our new mobile hotspots to access the internet anywhere\* on any of your devices.

### Here's how it works...

Mobile hotspots allow you to share a wireless network connection with other devices so they can access the internet. Devices connect to the mobile hotspot using their Wi-Fi feature.

Patrons 18 and up with a valid Deerfield Library card can check out a mobile hotspot. You can borrow the hotspot for seven (7) days.

### Why would I want to borrow one?

Mobile hotspots are a great resource for those without an internet connection. Whether you need to connect at home, or you're traveling and need to connect in an airport or hotel room, the mobile hotspot is for you. Since mobile hotspots

require a password to connect, they're also a good tool for those that don't want to use an unsecured public Wi-Fi connection (don't worry – password included when you check out our hotspot!).

To learn how to connect, please refer

to the printed instructions that come with the hotspot at checkout or watch our eTutor video on YouTube.

*\*Please note that a Sprint Cellular Network connection is required to use a Mobile HotSpot device. If, however, you are outside of the carrier's network the device will not connect and work.*

## Friends of the Deerfield Public Library

- *Thank You to Barb Reich* for being one of our founding members, and her 10 years of service on the Board. Barb is moving to New York for a new adventure. We wish her lots of good luck and happy times.
- **Treasurer/Board Member Wanted:** The Friends are seeking a resident from Deerfield, Bannockburn, or Riverwoods to serve as Treasurer. All potential Board Members will be asked to complete a board candidate application, and attend two (2) Board meetings, after which a vote will be taken to be elected onto the Board. If interested, please leave a message at 847-945-3311, x8895. Thank you!

- We are collecting gently used Cookbooks and Children's books for our summer sale at the Deerfield Farmer's Market on August 4. They may be dropped off at the Library.
