

Deerfield Rotary Membership Service Project Questionnaire

As you know, Rotary is a service club, not just a come-to-lunch club. Last year we were able to fund video equipment for the Lake County Children's Advocacy center (with a walk with Mitchell and farmer's market booths), and help fund a library in Huatulco, Mexico. Deerfield Rotary has also given money to Healthrays, a district project to put X-ray machines in all major cities in Guatemala, and to Shelter Box.

We need to be able to continue to support good causes. In order to donate money to our causes, we need to raise funds, including funds from organizations and people outside our club.

Fundraisers this year have included include Superbowl squares, our annual March Madness fundraiser. We have Game Night on Friday, to raise funds for the burn camp. Everyone in the club turns out at Walden School on July 4 morning to support Family Days with 5k/10k race.
