Sing

Emily Arrow's [They All Saw A Cat](#) is based on the book by Brendan Wenzel with fun actions to follow!

Play

Act out different pets together! Pretend to be the same animal and then pretend to be different animals, imagining how they would interact with each other.

Talk

Talk together about pets!

- What kinds of things would you do to take care of a pet?
- What magical creature would you want as a pet?

Write

Draw a pet with your child! Draw an outline of an animal and then have your child decorate the pet with markings, dots, or however they choose. Then admire your artwork! Praising a child for creating art encourages them to keep practicing their drawing, which builds the skills they need for writing.
