Summer Reading Logo Competition Winner

The inspired "Adventure Begins" logo was created by **Deerfield High School student artist Jonah Eisenberg**. The winning design was chosen through a competition organized for students in the Advanced and AP Graphic Design classes. Participants met multiple times with a team of library staff, providing the students an opportunity to learn about the Library's summer program,

National research from Dominican University finds that students who participate in public library summer reading programs:

- Scored higher on reading achievement tests at the beginning of the next school year than those who did not participate.
- Spent more time reading over the summer, read more books, were well prepared for school in the fall and read more confidently.

Reading even just six books over the summer will help keep your child's mind sharp.

Families, encourage the children and teens in your life to join us for summer adventure beginning [HERE](#) at the library on June 8!

From left, Stephanie Scaletta, Jonah Eisenberg & Cristina Bueno

discuss their artistic vision for a logo and receive feedback throughout the design process. **Many thanks to DHS teachers Tim Bleck and Chris Sykora for their expert guidance!**

The Friends of the Deerfield Library want you to help support your local library. Please consider **membership with our organization** – it's a great way to help support your local community by helping to fund improvements to the library. Most recently, the Friends has helped to fund DPL's transition to the new **Aspen online catalog**, providing a new colorful way of browsing the online and physical collections of the library. This new system is user-friendly and will make library use easier for every patron. Improvements like this are only possible with the support of people like you and **every member helps!**

Thank You!

A huge **thank you** to all of the local restaurants and eateries that participated in "Deerfield Dines Out" this year! Organized to coincide with National Library Week, the

inaugural weeklong event was made possible thanks to the support of the following Deerfield establishments: Chick-fil-A, Chipotle, City Barbecue, Dear Franks, Egg Harbor Café, Il Forno, Jimmy Thai, McAlister's Deli, Mod Pizza, Nothing Bundt Cakes, Panera, Portillo's, Potbelly, Tony's Subs, Upper Crust and The Wild Roaster. Proceeds will support programming and improvements to the Deerfield Public Library. We're so grateful for their **dedication to the local community!**

Donate Books!

The Friends still run the only bookstore in all of Deerfield located in the front corner of the library. We accept donations of lightly used books to maintain a good selection in the store and all proceeds are funneled directly back into the library. We're in particular need of **children's books and cookbooks** – please visit our website for more information on donations.
