

**This is my Library –
the Deerfield Public Library!**

I visit the Library with my parent, caregiver, or friends. I walk when I'm in the Library.

I make sure to stay with my adult in the Library.

When I get to the Youth Services Department, I greet the librarians. I can also ask them for help.

After saying hi to the librarians, I can also say hi to Penelope.

At the Library I can... read.

**At the Library I can... play with the trains
and the train wall.**

**At the Library I can... play with puzzles,
games, and blocks.**

At the Library I can... use a computer.

At the Library I can... go to storytime with my friends.

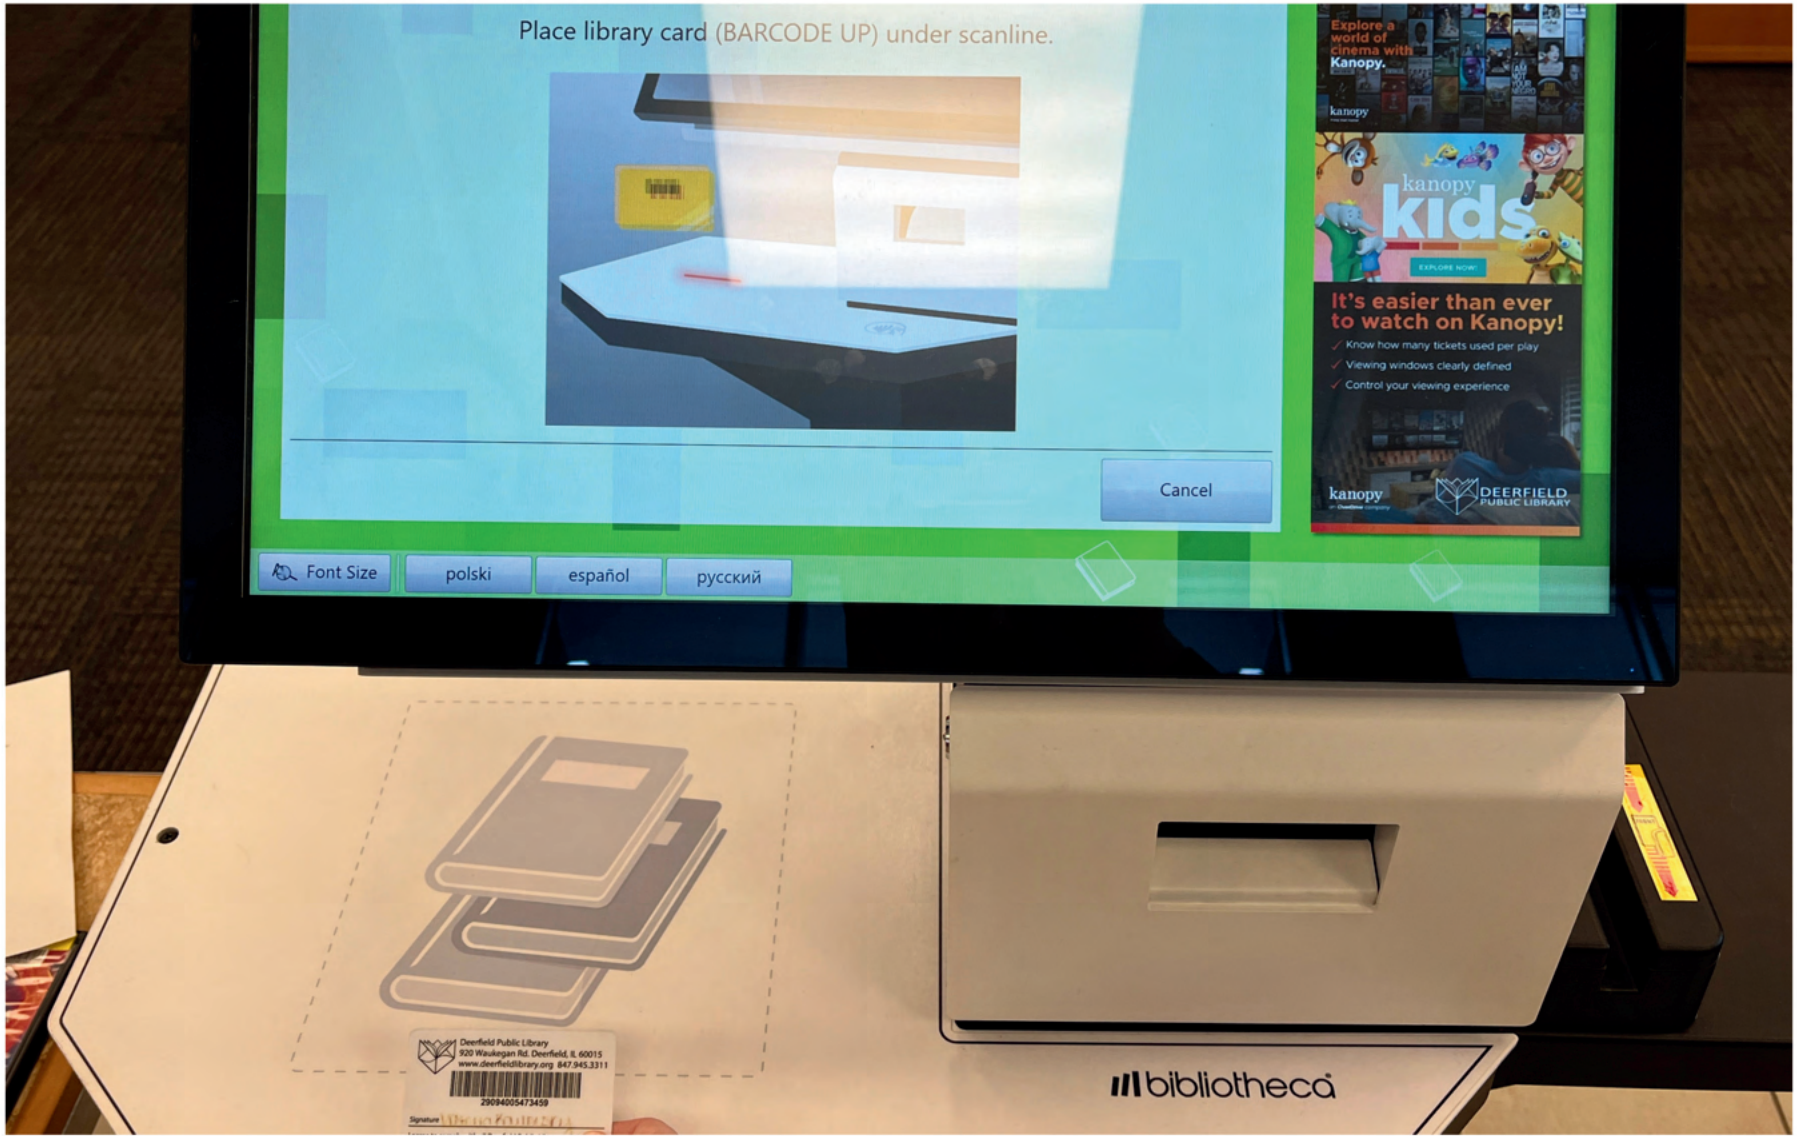

At the Library I can... use a study room if I need a quiet space.

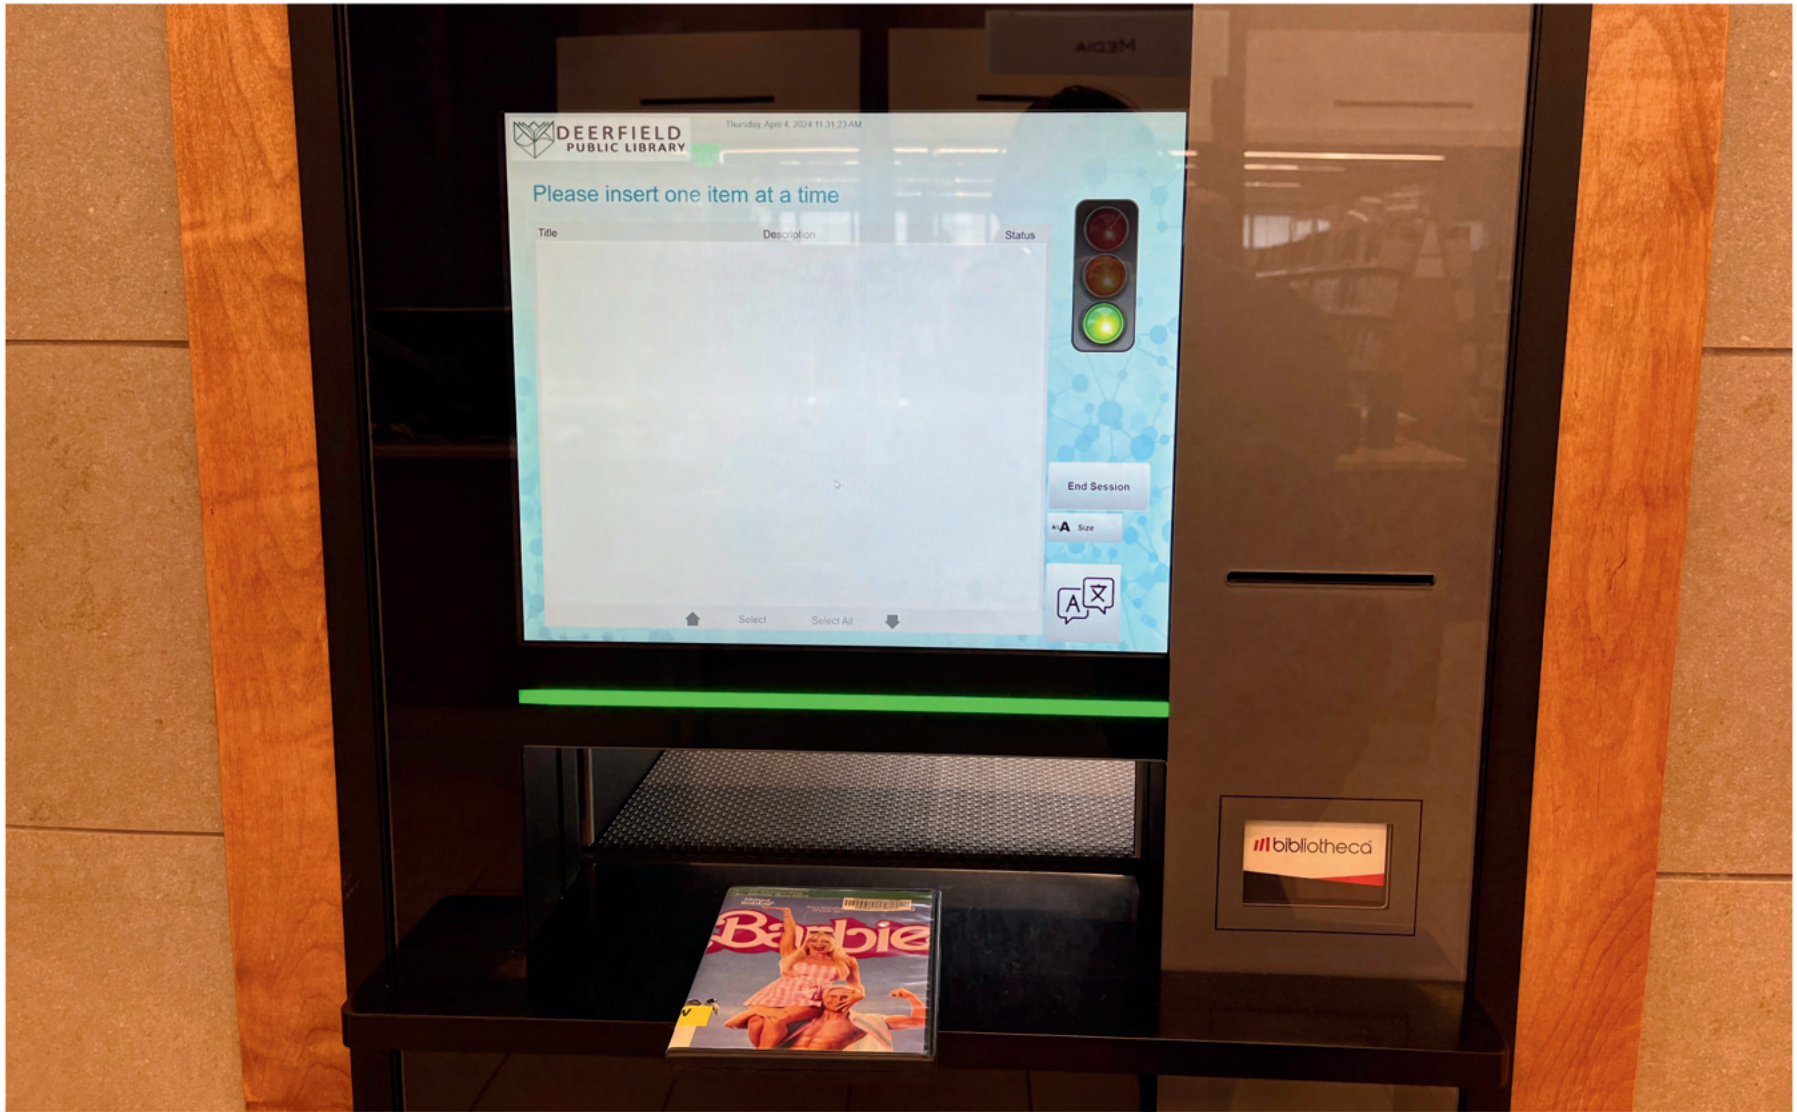

At the Library I can... check out books, audiobooks, DVDs, and Kids Kits to take home.

When I'm ready to check out my materials, I take them to the self-checkout machine.

I get out my Library card and scan it. Now I'm ready to check out my materials.

When I bring my books back from home, I place them in the book return.

I can watch my books go through the book sorter after I return them.

When it's time to leave, I say goodbye to the Library, but I know I can come back another day!

I love visiting the Library!
